

CMS Homework Help Schedule: 2017- 18

Carbondale Middle School teachers recognize that many students need either a quiet place to complete work after school or require a little more teacher instruction in order to learn key concepts. To accommodate this need, our teachers created Homework Help. Homework Help punch passes are available for sale in the office for \$20 (\$2 a class). Scholarships are available based on need. Check out the schedule below for specific times and dates and touch base with your child's teacher if you have questions.
